

Wayne Morsky National Sponsorship Advisor

It is with privileged excitement that I introduce myself as National Sponsorship Advisor. My wife Carole and I look forward to being a part of the team that will be taking Gold Medal Plates to the next level. As NSA, I will be working with our existing national sponsors and exploring potential new national and multi-city partnerships. I will also be available to assist at the local level when needed. Partnerships have played a significant role in the success of Gold Medal Plates.

I look forward to the opportunity to discuss creative, unique and collaborative Gold Medal Plates sponsorships with you. Please feel free contact me at either wayne@morsky.ca or 1-306-536-3101

Wayne and his wife, Carole, reside in Regina, Saskatchewan. His greatest interest include his family, families in business, draft horses, and the Saskatchewan Roughriders.
